

What is RSS?

What you need to know

RSS, short for "Really Simple Syndication" or "Rich Site Summary", allows you to keep up to to date with Ministry of Economic Development news from this website.

You will need to obtain a news reader, which allows you to subscribe to the various RSS feeds you want and display them.

A number of news readers are available, some of which work in your browser and others which must be downloaded and installed on your machine. Check that the one you choose is compatible with your operating system.
