

What is Skype?

Skype is a downloadable software that allows you to make free telephone calls over the internet, anywhere in the world.

At the Insolvency and Trustee Service, we have installed software and equipment that will allow you to make free telephone calls to our Business Service Centre using Skype. We are open for your calls 8.30am-5.00pm Monday to Friday (except public holidays).

Can I install Skype?

Skype can be installed and run on most types of computers - Windows, Mac, Linux, etc. The software is not large, so is quick and easy to download.

Privacy

Skype automatically encrypts all calls, so you are assured of privacy.

How to get Skype

[Click here](#) to get Skype. It is free to download..

Once downloaded, you will need to then install Skype on your computer. For detailed instructions on how to install Skype or if you need help using the Skype software, visit the [Guides section](#) on the Skype website.
